### A Time for Laughter

**BATH CHALLENGES** (If you never do any of the following, don't brag - nobody will believe you.)

- Drop the bar of soap that immediately finds a place to hid.
- Get more bath water on the floor than down the drain.
- Fail to rinse off some soap and/or shampoo.
- Use a lot more water and time than is necessary for a successful bath.
- Attempt not to see yourself in the mirror.
- Experience anger when someone knocks on the door.
- Realize that your clean clothes are wetter than the towel you have used to dry off.

### BATH ONE-LINERS

- Tub time is the best time.
- Don't rush me, it's bath o'clock.
- Time slows down when I'm in the tub zone.
- My plans for a fantastic day - bath, book and snacks.
- A bubble a day keeps the stress away.
- The tub is my emotional support vessel.
- Splish, splashing my troubles away.
- Catching up on my 'me' time.
- Bath time - where "To Do" lists are not allowed.

### The Twisted Tongue

Tiny Tim tossed ten teal towels into the tub.
