## A Time for Laughter

## Pollen

- *Pollen Season - when everyone looks like they've been crying over a sad movie.*
- *Spring is beautiful - if you can see it through the tears.*
- *I didn't choose the sneeze life. The pollen chose me.*
- *My sinuses just filed a complaint against spring.*
- *Pollen is nature's confetti for people who didn't ask for a party.*
- *It's pollen season. Folks don't know if I'm emotional or allergic.*
- *If pollen were a choir member, it'd be the one who shows up uninvited and sings off-key.*

## The Twisted Tongue

Puffy puffs of pesky pollen keep popping past my picky, puffing nose.

Peter's porch was plastered with plumes of pesky pollen.

## A Quote to Note
